

Coworking at ecafé

ecafé redefines the workplace! Perfect for mobile workers and home based professionals. Featuring private work spaces in a coffee house environment. Fully equipped conference and meeting rooms you can rent by the hour or the day. We offer high speed wireless and broadband internet, mailboxes, personal lockers, postal services and a complete supply of office products. You'll love our full service coffee house and business lounge. Stop by today for a tour of this exciting new facility. See what the future looks like!

Monthly Memberships and Day Passes

Whether you plan to work at ecafé all the time or just drop in from time to time we have a plan for you.

Monthly memberships give you unlimited access to our spacious coworking center and include use of our conference rooms and private work spaces.

If you just need to use the coworking center on an occasional basis then consider purchasing day passes. The more you buy the less you pay per day. Day passes can be used any time within 6 months of purchase.

No matter what your needs we have a plan that's just right for you. Call or stop by today to learn more!
